PROFESSIONAL SUMMARY

Detail-oriented Bachelor of Computer Application student (9.21 CGPA) with hands-on experience in full-stack web development. Proficient in building responsive, aesthetically driven applications using React JS, PHP, and Supabase, alongside foundational programming in Java, Python, and SQL. Quick to adapt to new technologies and eager to leverage technical problem-solving skills to build efficient, user-centric software solutions.

EDUCATION

2022 – 2026	
Bachelor of Computer Application	CGPA – 9.21
Maharashtra State Board – Nashik	2020 – 2021 (Doc)
HSC (12th Standard)	Percentage – 82.50%

PROJECTS

Grocify-Store | E-commerce Platform [\(Link\)](#)

- Built a functional grocery e-commerce platform using **React JS** and **JavaScript** to facilitate online ordering.
- Managed the successful deployment of the application utilizing **Vercel**, ensuring fast load times and reliable uptime.
- Implemented a mobile-first responsive layout to enhance the digital shopping experience across devices.

Smart Irrigation & Animal Alert System | [IoT, C++, Arduino] [\(Link\)](#)

- Developed an **automated, sensor-driven system** designed to optimize water usage based on **real-time data** and provide perimeter intrusion alerts.
- Integrated hardware components, including **moisture sensors** and **alert mechanisms** (cameras and buzzers), to automate system control and trigger immediate warnings.
- Engineered the solution to reduce manual monitoring and improve **resource efficiency**, demonstrating practical capabilities in **hardware-software integration**.

TECHNICAL SKILLS

- Language and Programming:** C++, JavaScript, Java ,Python
- Web Technologies:** ReactJS, NodeJS, ExpressJS, MongoDB, Supabase
- Familiar:** Git, GitHub, Vercel.
- Course Work:** Database Management, Operating Systems.

CERTIFICATION & ACHIEVEMENT

Intern College Tech Quiz competition (IT Parv) (1 st Runner up)	September 2024
Aavishkar-2025(Phase-I & II)	December 2025 (Doc)
Pre-Conference Workshop (CHAI-2026) (on AI Action : Solving Real – World Problem)	January 2026 (Doc)

EXTRA-CURRICULAR

Aavhan-2024 (State Level NSS Camp)	November 2024 (Doc)
Inter District Youth Exchange Program (Mumbai)	February 2025 (Doc)
Inter District Youth Exchange Program (Mumbai)	February 2026 (Doc)
